Mayuri Bed Mattress for a Good Night Sleep

People are different and when it comes to sleeping, they have different style too. We are conscious of this and produce a range of mattress with different materials for comfort, support and price range. So you can find the mattress that is just right for you.

Mayuri International

Choosing the Right Mattress

Here are few pointers to help you choose the mattress that is right for you.

01. The Feel

How a mattress feels when you are lying on is the most important factor. The comfort and support you experience will help you find the right match

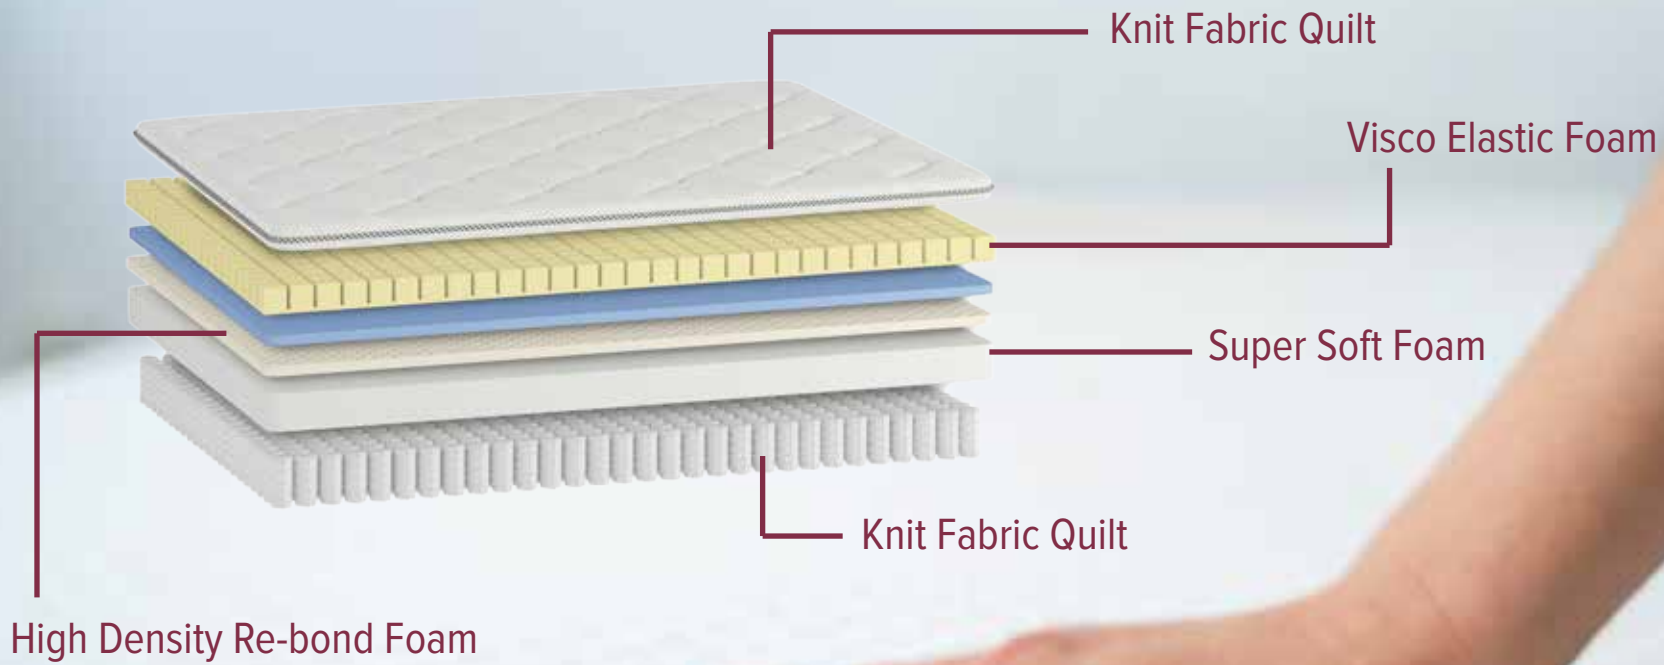

02. The Budget

Our range of mattress are made to suit every budget. Whether you choose from our basic range or from the superior range, you can be assured of a good night sleep.

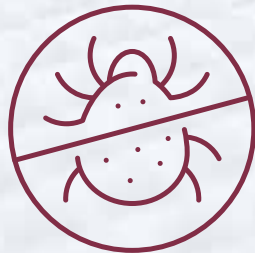

03. The Firmness

Should it be medium or firm? Our range of mattress are made to suit your choice and are made to suit your choice of firmness

03) Memory Foam Mattress

Natural Latex Foam

A high Density materials with fine elasticity facilitates in reduction of the body pressure and provides exceptional ventilation

Poly Fiber

High Quality, Durable, Sofa and Fluffy fiber used for Cushioning.

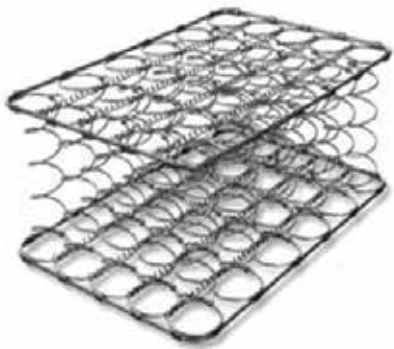

Pocketed Spring

Pocketed Spring Individual spring sewn into pockets of fabric work independently and provide the body with better support. These springs also aid in minimal motion transfer controlling movement of the mattress especially in shared use

Memory Foam

Durable materials provides good support and excellent pressure relief and a good sleep experience

Bonnell Spring

Traditional inner-spring Mattress provided Firm Support

Gel Infused Latex Foam

Gel Infused Latex Foam
The gel infusion absorbs the body heat and helps revive the latex to its original temperature faster and enables a sound sleeping experience
